The number of poor students deserving scholarships in this college is large and the intention is that the few scholarships availabl in the College may be distributed among students in such a way that no student gets more than one scholarship.

The condition that the holder of the H.S. Thomas Scholarship should not be in receipt of Government Scholarship only was imposed, at a time when only a few scholarships were available in the College. I am therefore of opinion that the holders of H.S. Thomas Scholarshi should not be enjoying any other scholarship Government or Special.

The omission in the draft amendment of the scheme is intentional and not accidental and as such the modification may please be accepted.
